Preschool Nurse

Description
The preschool nurse is responsible for promoting and maintaining the health and well-being of children enrolled in a preschool program. They will work closely with parents, teachers, and other healthcare professionals to ensure that children receive appropriate medical care and support, and will provide education and resources to promote healthy habits and prevent illness and injury.

Responsibilities

- Registered nurse (RN) license in the state where the preschool is located.
- Bachelor's degree in nursing or a related field. Master's degree preferred.
- Relevant experience in pediatric nursing, with experience working in a school or childcare setting preferred.
- Knowledge of child health and development, and experience with health assessments, screenings, and care planning.
- Strong communication and interpersonal skills, with the ability to work collaboratively with parents, teachers, and other healthcare professionals.
- Strong organizational and time management skills, with the ability to manage multiple tasks and priorities.
- Proficiency in medical record keeping and documentation.
- Certification in CPR and first aid.

Hiring organization
The Birchwood Academy

Employment Type
Part-time

Working Conditions
The preschool nurse will work a typical 8-hour workday, with occasional evening or weekend work for meetings or special events. They will work in a climate-controlled environment, with frequent interaction with children, parents, and staff. They will have access to necessary medical equipment and resources to provide care to children as needed.

Physical Demands:
The preschool nurse will need to be able to lift and carry children who may need assistance, and may need to stand or sit for extended periods of time while conducting health assessments or providing medical care. They may need to climb stairs or use ramps to access different areas of the school.

Summary
This job description is not intended to be all-inclusive. The employee may perform other related duties as negotiated to meet the ongoing needs of the organization.
